

# Municipal Green upgrades

MUNICIPAL GREEN PROPERTY ADJACENT TO CITY HALL AND  
SENIOR CENTER

# Project plan

This project will add an amphitheater and bathroom facilities on the Municipal Green property near City Hall, the Senior Center and water tower. These additions will allow the city to hold more community events, such as concerts, and will serve existing events such as the Fall Fest, Farmers' Market and the Christmas Water Tower Lighting.

- **PROPERTY ACQUISITION: COMPLETE**
- **DESIGN PHASE: SPRING 2023**
- **ANTICIPATED CONSTRUCTION: FALL 2023**
