

# New Alabaster Public Library

---

LOCATION TO BE DETERMINED IN PARTNERSHIP WITH THE  
ALBERT L. SCOTT LIBRARY BOARD OF DIRECTORS.

---

# Project plan

This project will bring a new, modern library to better serve the city's growing population. Since the current library was constructed, the city's population has grown significantly, as has the number of residents who use the library's services each month. City leaders are working in tandem with the Albert L. Scott Library Board of Directors to determine the location and design of the new facility.

- **PROJECT STAGE:  
PRELIMINARY  
PHASES**
- **ANTICIPATED  
CONSTRUCTION:  
FALL 2024**
