

Alabaster Senior Center expansion

1097 SEVENTH ST. S.W. AND ADJACENT PROPERTIES

Project plan

This project will expand the Alabaster Senior Center at 1097 Seventh St. S.W. by adding additional space for activities, fellowship and programs.

The Senior Center offers programs for Alabaster residents 55 and older, and is a heavily used amenity each month.

Alabaster owns the properties surrounding the center, which allows ample opportunities for expansion.
