Play chess with other students! All skill levels welcome, but basic knowledge of the game is required. Play for fun and improve your skills.

Family Holiday Film: *The Best Christmas Pageant Ever*

When the notorious Herdman siblings crash the Christmas pageant auditions looking for snacks, they unexpectedly land the lead roles. First-time director Grace must manage them and angry townspeople. This leads to chaos that ultimately reveals the real spirit of Christmas. Bring your blanket to the Nan Abbott Room to spread out -- we'll have the popcorn. All kids must be with an adult.

Teen Time! Snow Globes

Tweens and teens can make a snow globe. No younger children or adults, please.

Science Saturday

Use science and art in a STEAM experiment to make gift wrap.
