

SPOTLIGHT ON PROGRAMS

D & D Beginners' Guide

Adventurers, with the help of Dungeon Masters Paul and Meagan, will walk through basic rules and terms of the game, explore how to play, and more.

Homeschool Happening

Students will move through the history of art at different stations -- each with a mystery to solve either in teams or individually.

Shelby 4-H Science Club Sign up at <https://v2.4honline.com> and click 'alabaster library club.'

Shelby 4-H Creative & Expressive Arts Club Sign up at <https://v2.4honline.com> and click 'alabaster club.'

Chess Club Kids at all levels can play with other students! Basic knowledge of the game is required.

Button Making Learn to use the Canva design program to create buttons for fun or promotion. Learn to use 4 sizes of machines to make and take buttons.

Teen Time Get messy with acrylic paint! Create a big, plastic keepsake after learning the paint pouring technique. Dress for mess. No adults or younger children, please.

Crafty Kids Use the pour painting technique to decorate a plastic bear. Be sure to dress for mess! All kids must be with an adult.

Science Saturday Have fun with ice and invisibility and learn about states of matter and light.

Slime Sunday Make and take slime of the season.

Be the Spark Jayla Duncan, Miss Samford University, will chat with kids and read from her book *A Bully for Bella*. She started the kindness and anti-bullying nonprofit Jayla's Justice: Be the Spark! She'll share a message about kindness, resilience, and creating safer communities for all.
